

How Important is Your Membership?

Virtually every dollar raised by the Booster Club goes to some aspect of the Adams High School Athletic Program. Over the last three years, we have returned in excess of \$50,000 to Highlander Athletics. This does not include the tens of thousands of dollars we have raised over the same time which went directly to individual sport program accounts.

With the help of athletic parents and supporters, the Booster Club has staffed the Concession Stand at most athletic events. Last year, concession sales yielded an annual profit in excess of \$25,000 and 50% of that went directly to individual sport programs. Other major fund raising projects such as Spirit Wear Sales and operating the Concession Stands at elementary school fun-fairs has raised additional monies to support our athletic program. Over the past several years the Booster Club has provided dollars to assist with the following purchases:

ADAMS HIGHLANDERS BOOSTER CLUB

The Mission of Adams Booster Club is to work in cooperation with the Athletic Department and Administration, to financially support all Highlander Athletics and to recognize the accomplishments of student athletes and coaches.

As Rochester Community Schools continues to provide a quality education with fewer operating dollars, we find that our athletic budgets continue to be reduced. Adams Booster Club's goal is to respond to the needs of our teams, players, coaches, trainer and Athletic Director by providing additional resources where needed and to maintain the highest quality facilities possible. Your contribution big or small is important for us to continue to support our student athletes and teams at a level that will provide our student athletes with the highest quality high school athletic experience we expect for our children.

Your support of the Adams Booster Club doesn't stop with financial support; we need your involvement as well. Whether it is becoming a team rep or working the concession stand, we cannot be successful without you. Additionally, when our children are in high school, we know less and less of what is happening in their lives. Becoming involved with your team and attending Adams Booster Club meetings are positive avenues to stay informed. It provides a great opportunity to find out what is going on with your child's athletic team(s) and all the teams at Adams. It also provides you the opportunity to meet the parents of the teammates your son or daughter is now friends with. Your child may not appreciate it now, but they will later.

For all of you that are new to Adams athletics we welcome you; and to those who have supported us in the past, thank you and we ask for your continued support. Adams Booster Club will continue to support our athletics and our teams in the highest level possible and we can only achieve this with your help. Thank you in advance for helping us continue the Highlander Pride we are known for!

GO HIGHLANDERS!
